The information contained herein has been prepared using information available to PJSC Polyus at the time of preparation of the presentation. External or other factors may have impacted on the business of Polyus and the content of this presentation, since its preparation. In addition all relevant information about Polyus may not be included in this presentation. No representation or warranty, expressed or implied, is made as to the accuracy, completeness or reliability of the information.

The presentation includes forward-looking statements that reflect Polyus' intentions, beliefs or current expectations. Forward-looking statements involve all matters that are not historical fact. Forward-looking statements can be identified by the use of words including "may", "will", "would", "could", "should", "expect", "intend", "estimate", "anticipate", "project", "believe", "seek", "plan", "predict", "continue" and similar expressions or their negatives. Such statements are made on the basis of assumptions and expectations which, although Polyus believes them to be reasonable at this time, may prove to be erroneous.

Forward-looking statements are subject to risks, uncertainties and assumptions and other factors that could cause the Company's actual results of operations, financial condition, liquidity, performance, prospects or opportunities, as well as those of the markets it serves or intends to serve, to differ materially from those expressed in, or suggested by, these forward-looking statements.

Important factors that could cause those differences include, but are not limited to: changing business or other market conditions, changes in applicable law, rulings by government commissions, general economic conditions in Russia, the European Union, the United States and elsewhere, and Polyus' ability to respond to trends in its industry. Additional factors could cause actual results, performance or achievements to differ materially. Polyus and its Directors, officers and employees expressly disclaim any obligation or undertaking to release any update of or revisions to any forward-looking statements in this presentation and any change in Polyus' expectations or any change in events, conditions or circumstances on which these forward-looking statements are based, except as required by applicable law or regulation.

Nothing herein shall constitute or form part of any offer for sale or subscription of or solicitation to buy or subscribe for any securities, and neither this document nor any part of it shall form the basis of or be relied on in connection with or act as an inducement to enter into any contract or commitment whatsoever.

The information contained herein is not an investment recommendation as per Article 6.1. and 6.2. of the Federal Law No. 39-FZ of April 22, 1996 "On the Securities Market".

1H23 HIGHLIGHTS

CASH POSITION

- Gross debt decreased to \$3,422 million, compared to \$3,586 million as at the end of 2022.
- As at 30 June 2023, Company's estimated cash position rose to \$1,734 million (31 December 2022: \$1,317 million, 30 June 2022: \$780 mln).
- Change in cash position reflects free cash flow generation during the reporting period, as well as an issue of 5-year rouble-denominated bonds (Rub 20 bln with a coupon rate of 10.40% per annum). The cash inflows were offset by a redemption of Notes due 2023 (in a total amount of \$330 million).
- Company's estimated net debt stood at \$1,688 million (31 December 2022: \$2,269 million, 30 June 2022: \$2,452 million).

EUROBONDS' REDEMPTION

- In February 2023, the Company repaid the principal amount and accrued interest of its 5.25% Notes due 2023 for total consideration of \$330 million from its own cash.

RUB BOND ISSUE

- In February 2023, the Company completed a 5-year rouble-denominated bonds offering (Rub 20 bln with a coupon rate of 10.40% per annum).

EVENTS AFTER THE REPORTING DATE

- On July 10th, Polyus' Board of Directors approved and started a programme of purchasing up to 40,802,741 ordinary shares of the Company at the purchase price of RUB 14,200/share.
- Purchasing programme has been completed on August 26th. Purchased shares are expected to be used for the financial and commercial purposes of Polyus and its subsidiaries, as consideration in potential M&A transactions, for possible capital markets placements, for financing of long-term development projects via attraction of potential investors, and for other corporate purposes.
